## Specifications

**Features:**

**Fast Printing Speed**
A faster printer means a faster workflow. Equipped with a 600MHz processor and 128MB memory to print 20 pages per minute.

**Easy To Use**
Designed for simple and intuitive operation the M2022W saves you precious time and effort. One Touch WPS Button Connect quickly and securely to your wireless network with the touch of a button, via the one-touch WPS (Wi-Fi Protected Setup).

**Easy Eco Driver**
Save up to 20 percent on printer toner with Samsung's Easy Eco Driver. This useful software also reduces paper and energy consumption by giving users the option to remove unnecessary text and images, converting them from bitmap to sketches. The Easy Eco Driver is the recipient of the 2012 Outstanding Achievement in Innovation Award from Buyers Laboratory (BLI).

**A Printer That Makes Your Smartphone Even Smarter**
Print wirelessly and share effortlessly with the Samsung Xpress M2022W Printer. All it takes is a simple tap with its advanced NFC technology, Wi-Fi Direct, Google Cloud Print and powerful compatibility. Get Print On Tap! Simply tap your mobile device to the Samsung Xpress M2022W series to print virtually any content.

**A Printer That Makes Your Smartphone Even Smarter**
Google Cloud Print From Anywhere Google Cloud Print works on smartphones, tablet PCs, Google Chromebooks, PCs and other web connected devices.

**A Printer That Makes Your Smartphone Even Smarter**
Print Wirelessly Share Anytime Effortless mobile printing with impressive compatibility, optimised for any task or occasion.

**Easy Solution Support**

The printer also brings you software support designed to put you in control of delivering ultimate quality printouts easier than ever before. Easy Printer Manager Remotely control printer settings and easily monitor its status with the Easy Printer Manager.

**Brilliant Text & Image Quality For Your Documents**
The M2022W prints and scans your text and images in brilliant quality. The 1200 x 1200 dpi is achieved by varying the dots size and the position of the dot itself. This means you can print in more detail for a smoother and sharper image. Enjoy Quality Printouts Samsung's unique ReCP (Rendering Engine for Clean Page) Technology improves the overall quality.

**Ergonomic Design**
Don't worry about this printer crowding your space. Its compact and tasteful design makes it a pleasant collaborator. Small Size Footprint With a footprint of just 33.2 x 21.5cm. The smallest laser printer from Samsung. Ergonomic Design Its ergonomic design with ebony brown and ice grey colour creates a modern and elegant work environments.
