Specifications

Features:

Slim. Beautiful. Strong.
Featuring a double crown AMOLED screen and lightweight design, this watch is classy and sleek. Pair that with a ceramic bezel design and stainless steel shell, you're ready to explore.

Style for Your Life
A wide selection of watch straps of different colours and materials style your every look and mood. The QuickFit straps let you quickly and easily change it without any tools.
HUAWEI WATCH GT multiple straps

Long Battery Life, Travel without Limits
Featuring a double chipset architecture and low power consumption system, HUAWEI WATCH GT provides a long battery life[1] to keep up with wherever you go.

Real-time Heartrate Monitoring
HUAWEI TruSeen™ 3.0 heartrate monitoring technology provides a more efficient and accurate real-time personal measurement of your heartrate by using a self-learning algorithm and innovative sensors.

3 Satellites and 1 Precise Location
HUAWEI WATCH GT supports 3 Satellite Positioning Systems (GPS, GLONASS, GALILEO) worldwide to offer more accurate, faster and precise positioning.

Scientific Coaching

Stay Fit with the HUAWEI WATCH GT that provides coaching in introductory to advanced running courses to assist you in real-time while also providing guidance training and giving time-movement effect feedback.

Always Ready
Multiple sports modes for many outdoor, indoor and training activities, the HUAWEI WATCH GT is ready to Make It Possible.

Intelligent Sleep Statistics
A joint-study with Harvard Medical School CDB Centre produced a brilliant sleep monitor program for every cycle of sleep. HUAWEI TruSleep™ 2.0 identifies common sleep related issues and provides more than 200 potential suggestions to help you sleep better.

Customise Your Watch Face
Lots of specially designed watch faces for you to select and customise. You can choose from traditional or modern digital watch faces and find one that suits your style.

Smart Notifications to Power Through Your Day
Perfect for counting steps, your sedentary status and monitoring peak intense activities. Notifications of any messages, phone calls, alarms or set reminders are all organized on your wrist.
