

Business essential.
Affordable, practical, 15.4-inch diagonal display, Intel processors

HP recommends Windows Vista® Business.

HP Compaq 6730s Notebook PC

An impressive combination of mobile office features makes the newly-designed HP Compaq 6730s Notebook PC an excellent price-for-performance package.

Technology to get the job done

The HP Compaq 6730s offers a choice of antiglare or HP BrightView 15.4-inch diagonal widescreen display. Experience new levels of system responsiveness when running multiple applications and smarter battery performance designed to help extend mobility with Intel® Core™2 Duo processors. Choose between high-performance 256 MB ATI discrete graphics or UMA graphics. Make your storage media stand out with custom labels that you can burn directly to your disc with the optional DVD+/-RW SuperMulti DL LightScribe Drive. Plus, stay connected where you need to work with Wi-Fi Certified WLAN and integrated Bluetooth® wireless technologies.

HP Professional Innovations help you focus on your business. Built to protect

An array of multi-layered, customizable security solutions help defend your network, your applications, and your data. Drive Encryption for HP ProtectTools encodes all information on your hard drive so that your sensitive information is unreadable to an unauthorized person if your notebook is lost or stolen. HP SpareKey allows you to set up robust security for your notebook without the risk of being locked out if you happen to forget your password.

Built to simplify

Experience web conferencing and other multi-media content with no additional hardware to buy or carry. The new HP SoftPaq Download Manager provides a simple, powerful way to download software updates to your PC environment in as few as three steps.

Built to last

HP 3D DriveGuard, using a three-axis accelerometer which detects any sudden movement and initiates protective action, helps protect your notebook's hard drive against impact, bumps, or drops so your critical information is easily protected while you are on the move. HP Business Notebook PCs undergo over 95,000 hours of rigorous quality testing to ensure your notebook is ready to go the distance.

HP Compaq 6730s Notebook PC

HP recommends Windows Vista® Business.
