SAMSUNG ML-2165

SAMSUNG ML-2165 A4 Mono Laser Printer

Product Overview

SAMSUNG ML-2165 A4 Mono Laser Printer - 20 Pages Per Minutes, 8MB Built In Memory

Specifications

Overview:

Combine cost-effectiveness and performance with Samsung's compact and stylish ML-2165. This compact printer features easy management of costs to make sure you keep to your budget. It's also simple to use, with faster printing and useful functions. Print quickly and efficiently and save space and money with this Samsung printer.

Features:

Optimise your printing with Easy Eco Driver
Enjoy cost-optimised results every time you print thanks to Samsung's Easy-Eco Driver. With this useful software, you'll be able to accurately preview your document before printing and adjust quality, colour and other settings to meet your precise requirements and budget, as well as removing unnecessary text, images and other elements. You can even monitor savings, including paper, toner, energy and overall cost. Say goodbye to wasted printouts and discover more economically-efficient printing.

Simple and efficient printer management made easy
Discover simplified print management with Easy Printer Manager. This integrated EPM software allows you to quickly set up your device and monitor status using only simple-to-use software. Never worry about unexpectedly running out of toner again, as toner ordering, device discovery, application linking and other functions are all easily accessible with our Easy Printer Manager.

From the monitor to the page with just One Touch
The ML-2165's Print Screen button - conveniently located on the printer control panel - lets you print the contents from your screen, quickly and easily, even when you're away from your desk. Just one touch is all that it takes. With one click, there's no more extra editing or cropping of unwanted content-clutter from original webpages or documents. If a single page is what you want, it's what you'll get. One simple press of a button prints your screen, as it appears on your monitor. Hold the button for more than two seconds and the ML-2165 prints the last object that you activated on your monitor. Now you can print anything, anytime.

Protect you printing with a Dust Free design
Protect your printer and your print-outs with a reliable dust-free design. The innovative design features a dust free cover. By preventing dust contamination it not only ensures that the paper is dust free before printing but also keeps the internal mechanics free from harm. This intelligent design helps prolong the life of the printer while also ensuring reliable and professional prints.

Give your print-outs standout detail
If you need to make an impression, nothing shows professionalism like the stunning 1200 x 1200dpi clarity produced by the Samsung ML-2165 Laser Printer. High resolution printing of this caliber ensures that important print-outs, like work presentations and reports, are sharp and impressive. So, give your operation every chance of making a good impression with high resolution printing.

Improve efficiency with compact design
With the growing demand for more space efficient office equipment, the Samsung ML-2165 Laser Printer is a perfect choice. The compact 331 x 215 x 178mm sized printer that delivers the standard in premium printing. Small to medium businesses and home offices will find this printer ideal. And because it is so compact in design, it adds to its portability. So, save space and hassle with the Samsung ML-2165 Laser Printer and its contemporary compact design.

Achieve more with Samsung's Fast Print
Don't settle for slow printing. With Samsung's faster printing speed of 20 pages per minute, you can minimise time wasted hanging around the printer. The enhanced printer performance will streamline workflows and let employees, and businesses, reach their full potential.
