

FreeAgent™ Desktop Drive

Now your digital content has room to breathe.

Computers come and go, but your content should always be nearby. It will be, with up to 500 glorious gigabytes, the FreeAgent desktop drive is the best place to gather and access all of your important photos, movies, music, games and documents. Simply plug in the power and the USB cable and you're ready to go.

Designed to live peacefully in your home or office, the FreeAgent Desktop Drive is extra quiet and takes up less room on your desk than a stapler. Even the cable ports are base-mounted to help keep your desk free of clutter. We even add a little bit of sophistication to your desktop with the unique espresso brown finish and molten amber illumination.

To eliminate the slightest bit of worry, we've even included technical support and a five-year limited warranty.

FreeAgent Desktop Drive. Because your digital content should always be nearby.
