Specifications

Overview:

With the Samsung F4000 Series 4 LED TV, you don't have to compromise quality for affordability. It features an enhanced picture thanks to Picture Noise Filter. Wide Color Enhancer Plus also boosts clarity and detail to ensure your viewing is always immersive and spectacular.

Features:

Filtering noise for added TV viewing pleaser
Experience crystal-clear programming from your TV with Samsung's Clean View. By applying Clean View's auto noise-removal technology, it removes digital and analog noise that is seen on the screen. The Analog Noise Filter enhances the picture quality by deleting visual noise from both air and cable sources. Sit back, relax and watch TV with the best clarity.

More vibrant colors for better images
Using an advanced picture quality improvement algorithm, Samsung's Wide Color Enhancer Plus drastically improves the quality of any image and uncovers hidden details. Now see colors as they were meant to be seen with Wide Color Enhancer Plus.

Watch movies from your USB
With ConnectShare Movie, simply plug your USB memory drive or HDD into the TV and instantaneously enjoy movies, photos or music. Now, you can experience a wide variety of content in the comfort of your living room on your TV.
