Specifications

Features:

Design
Gear S2 comes full circle with a durable stainless steel body that sits slim and sleek on your wrist. Customising the watch face and changing watch bands is so easy, it's a device for all occasions.

Gear S2 X atelier mendini
In a beauiful partnership, Alessandro Mendini brings his taste, humor and sense of colour to the Gear S2. The result is a range of watch faces and watchbands that completes your personal style.

Movement
Essential smartphone features are available with a simple twist on Gear S2. Gently turn the bezel to scroll through long emails, zoom in on a map or skip a track during playback. Life keeps getting better with every turn.

S Health
Taking charge of your health is easy with Gear S2. Track your daily activity levels, heart rate and water vs. caffeine intake. Continue to stay fit with timely motivational messages.

Power
Stay in the loop and keep fit with Gear S2, and when it's time for a recharge, simply place it on the wireless charging dock.

Partners
We've partnered up with a growing portfolio of amazing apps to make Gear S2 work for you. From going the distance to keeping your home secure, everything is possible.

Connectivity
With enough space to store up to 300 songs* synced seamlessly from your phone, your favourite playlists go where you go. Even when you leave your phone at home to go for a run. Gear S2 and Level U Bluetooth headphones are all you need. (Only

some phones are compatible)
