Oki C810dn Duplex and Network Ready A3 Colour Laser Printer

Product Overview

Oki C810dn Duplex and Network Ready A3 Colour Laser Printer, 16/32ppm Colour/Mono Print Speed, 200MHZ Processor Speed, 128Mb Memory, ProQ2400 Multi-Level Technology, USB Interface, 300+530 Sheets Paper Input, 75k Duty Cycle.

Specifications

Features:

- A major win in cost vs performance. This high quality, highly affordable printer gives low cost colour printing whilst maintaining low mono costs per copy.
- The most compact A3 colour printer available. At half the size of other A3 printers, compact and quiet, it can sit close to the desktop for extra convenience, while saving floor space.
- Print a range of document sizes and formats with ease from A6 to A3 on a range of media, from postcards to banners. Duplex capability allows double-sided printing including booklets, whilst Template Manager 3.0 enables the creation of a range of professional-looking documents in-house.
- Enhance business efficiency with fast time to first page of just 10 seconds and high print speeds of 30ppm A4 colour and 32ppm A4 mono will help maintain business momentum.
- Print quality will visibly enhance documents across the business Every colour document benefits from ProQ2400.
- Multi-level technology and our unique microfine High Definition Toner.
- Photo Enhance, selectable within the driver, allows you to print impressively sharp, photo-like pictures on ordinary office paper.
- With its simple controls and smooth paper flow, the C810 requires minimal user attention.
- Print Control enables the management of colour use and printing costs of each individual user.
- With single pass digital LED technology, paper handling is smooth across all media.
- The straight paper path minimises the need for user attention and maintains the workflow.
