Specifications

Overview:

Keep your kids safe with the Smart GPS Tracker Watch

- Ensure your child's safety as your child can alert you if there is a problem; you know exactly where they are & much cheaper and safer than a mobile phone. They also will not lose their watch as easily as a phone
- This smart little device allows parents to easily keep track of their children - simply insert a micro SIM card into the watch, install the app on your smart phone and you will be able to keep tabs on your little one from a distance via the app on your smart phone
- Real-time positioning, tracking and monitoring / GPS / SOS Calls / Electric Fence / Remote Monitor / Two-way Conversation

Main Features

- SOS emergency alarm: It will make phone calls to SOS number turn by turn, and send alarm messages to mobile app
- Electric fence system: Alarm message will be sent to your mobile app if the kid goes out of the electric fence zone parameter
- Two-way conversation allows you to communicate with your child through the smart watch phone
- Remote monitor: When the monitor number calls in, the watch will enter one-way automatic answering, and the watch terminal will not hear any sound of mobile terminal
- Watch taking off alarm: If the watch is removed, it will send an alarm to the mobile app

Note: Scan the QR code on the packing box/manual to download app
