EQUIP TOOLS, PROFESSIONAL CRIMPING TOOL

Product Overview

EQUIP TOOLS, Professional Crimping Tool, crimps 4P/ 2C, 4P/ 4C, 6P/ 4C, 6P/ 6C & 8P/ 8C, With wire stripping, cutting function & round cable stripper

Specifications

About this product

The EQUIP TOOLS 129404 Professional Crimping Tool is a versatile and durable tool for network and telephone cable installations. It crimps modular connectors including 4P/2C, 4P/4C, 6P/4C, 6P/6C, and 8P/8C, while also featuring wire stripping, cutting, and round cable stripping functions. Buy now for quick delivery in South Africa and simplify your cabling tasks.

Overview Summary

Product Name:EQUIP TOOLS 129404 Professional Crimping Tool

The EQUIP TOOLS 129404 is a professional-grade modular crimping tool designed for both networking and telecommunication installations. Its robust construction allows for reliable crimping of 4P/2C, 4P/4C, 6P/4C, 6P/6C, 8P/8C, and DEC connectors. The tool also includes wire stripping and cutting features, plus a dedicated round cable stripper for precision work.

Designed for technicians and DIY enthusiasts, this crimping tool simplifies cable preparation and connector installation, ensuring secure and consistent results every time.

Performance tier:Professional

Uses:RJ45 and RJ11 network cabling, telephone wiring, modular connector installation, cable maintenance, DIY networking projects

Description

The EQUIP TOOLS 129404 Professional Crimping Tool is engineered for precision and durability in both professional and DIY applications. It allows for crimping a wide variety of modular connectors, including 4P/2C, 4P/4C, 6P/4C, 6P/6C, 8P/8C, and DEC connectors. The built-in wire stripper and cutter streamline cable preparation, while the round cable stripping feature

ensures accurate removal of insulation without damaging the conductor.

Its ratchet function provides consistent pressure for clean and reliable crimps. This multifunctional tool is essential for networking, telecommunication, and other electronics projects, making it a must-have for any technician or hobbyist.

Features

- Professional modular crimping tool for RJ45, RJ11, and DEC connectors
- Crimps 4P/2C, 4P/4C, 6P/4C, 6P/6C, 8P/8C connectors
- Built-in wire stripping and cutting functions
- Dedicated round cable stripper for precision work
- Ratchet mechanism ensures consistent crimps
- Durable construction suitable for professional and DIY use
- Compact and ergonomic design for comfortable handling

What's in the Box

- 1 x EQUIP TOOLS 129404 Professional Crimping Tool

Specifications

- Product Code: 129404
- Brand: EQUIP TOOLS
- Tool Type: Modular crimping tool
- Connector Compatibility: 4P/2C, 4P/4C, 6P/4C, 6P/6C, 8P/8C, DEC
- Functions: Crimping, wire stripping, cutting, round cable stripping
- Features: Ratchet mechanism for consistent crimps
- Applications: Network cable installation, telephone wiring, RJ45/RJ11 connector crimping
- Performance Tier: Professional
- Material: High-quality steel and ergonomic handle

FAQ

Which connectors can the 129404 crimping tool handle?

The tool crimps 4P/2C, 4P/4C, 6P/4C, 6P/6C, 8P/8C, and DEC connectors, making it suitable for most networking and telephone cables.

Does this crimping tool include wire stripping and cutting?

Yes, it has built-in wire stripping and cutting functions, as well as a dedicated round cable stripper for precise insulation removal.

Is the EQUIP TOOLS 129404 suitable for professional use?

Yes, it is designed with durable materials and a ratchet mechanism to provide consistent, reliable crimps for professional installations.

Can I use this tool for DIY networking projects?

Absolutely, the 129404 is perfect for DIY enthusiasts and hobbyists working on RJ45, RJ11, or other modular connector projects.

Does it have an ergonomic design?

ComX Computers

Product Specification Sheet

Yes, the crimping tool features an ergonomic handle for comfortable use during extended cabling tasks.
