Specifications

Overview:

The C822 is the perfect A3/A4 colour printer for a micro or small businesses or workgroups. You will benefit from extensive media flexibility from A6 to A3 and high quality output so you can print your day-to-day business documents from one compact device. And with a low initial capital outlay, the C822 makes in-house colour printing more accessible even when budgets are tight.

Features:

Fast, robust and superb colour print quality
The C822 is built on tried and tested LED technology that your business can rely on to deliver over and over again. A4 print speeds of up to 23ppm in high definition colour. A range of energy and cost saving functions to reduce your total cost of ownership, improving efficiency and productivity. ProQ2400 Multi-level output quality, 1200 x 600dpi print resolution and Photo Enhance setting guarantee sharp, clear and vibrant photo-like pictures.

Excellent media flexibility to support your business
The C822 provides complete flexibility, enabling users to print on a wide range of media sizes, formats and paper weights: Print on paper sizes from A6 to A3; Produce banners of up to 1321mm in length; Standard 400 sheet paper capacity expands to 930 sheets; Print on paper weights of up to 256gsm.

Excellent colour made easy
You don't need any special skills or training to get the best out of your C822. It has ProQ2400 Multi-level output quality with 2400 x 600dpi print resolution for smoother shades, there's a Photo Enhance setting for printing sharp, photo-like pictures, and support for support for PCL for when you're working with graphics files and applications.

Rapid print speeds

Not only can the C822 can print all your routine black and white A4 documents at speeds of up to 23 pages per minute (ppm). Even in A3, it still prints at a highly capable 13ppm. And that's not all. Because it comes with 256MB RAM, expandable to 768MB, an optional 16GB SDHC memory card, and a powerful 800MHz processor as standard, you can work with large and complex documents as easily as small and simple ones.

Versatile media handling
Your team can do so much more with the C822. Documents can be any size from A6 postcards, right the way up to A3 and beyond to 1321mm banners. It handles paper weights from as light as 64 to as heavy as 256gsm, and it has a standard 400-sheet paper capacity that can be expanded up to 930 sheets for more printing with fewer interruptions.

Support your environmental objectives
The C822 comes with automatic two-sided printing as standard, helping people to reduce paper usage and saves money. A useful Deep Sleep function helps to reduce energy consumption, and toner cartridges which last for around 7,300 pages for colour and 7,000 mono pages, mean less waste and packaging.
