Specifications

Overview:

The Port Designs Boston Top Loading Bag is an urban and modern laptop bag. Its elegant and qualitative design was developed by designers in a creative studio in Paris. This bag features a top-loading design, allowing you to open and place items or devices in it from the top of the bag. The Boston also has a padded compartment, to provide optimal protection for your laptop. You can also find a compartment for your tablet up to 11" in size. On the front, a large zipped pocket will allow you to easily carry your battery charger, your smartphone or your accessories.

Features:

- Modern Design
- Polyester Material
- Compact and Lightweight
- 15.6" Laptop Support
- Padded Interior
