Specifications

Overview:

Laptop bag ECO SYDNEY 15.6"

Reference:135172

- Recycled and recyclable inner and outer materials (r-PET)
- Padded laptop compartment
- Dedicated tablet pocket up to 11''
- Front pocket with large organizer
- Quick access front pocket for small accessories
- Back trolley strap

Features:

- Sydney top loading is an urban and modern laptop bag. Its chic, quality design was developed by our designers in our creative studio in Paris. This toploading bag means that your laptop is inserted from the top of the bag.
- Sydney has a padded compartment, providing optimal protection for your laptop. There is also a compartment for tablets up to 10.1''.
- You will also find a large zipped pocket on the front : you can easily carry your battery charger, smartphone and accessories.
- There is also a trolley strap on the reverse of this bag, which is very convenient for carrying your bag and trolley with one hand.
- A removable and adjustable padded carrying strap means you can carry items with ease, leaving you free to use both hands. Our designers have fitted this bag with metal buckles, logo and zippers for optimum quality and durability.
- With a convenient smartphone pocket and a carrying handle designed for comfort.
