Specifications

Overview:

- L-shaped opening for easy access
- Stretch material made of neoprene cotton optimally adjusting to the laptop
- Fine and trendy design with high quality materials
- Stretch and protective fabrics
- Double lockable metal dashes

Features:

This product is a protective sleeve for notebooks and hybrid computers. Its trendy and colorful design was developed by our designers in our creation studio in Paris.

This sleeve has a stretchy colored neoprene outer covering and an anti-scratch interior. This second skin will fit perfectly to the shape of your notebook thanks to its flexible material.

It will then slip easily into a backpack or a bag from our range of products. The 2 opening zippers are made of metal, and the logo patch in rubber, to guarantee a quality finish.
