Specifications

About this product

The**Port 160514 Courchevel 15.6" Toploading Case**is a sleek and practical laptop carrying solution designed for reliable protection and efficient travel. Constructed with durable 1680D ballistic nylon and 600D nylon, it offers a dedicated padded compartment for a 15.6" laptop measuring up to approximately 385 x 260 x 65 mm, plus an organizer front pocket and trolley strap for streamlined mobility.

Overview Summary

Product Title: Port 160514 Courchevel 15.6" Toploading Case

The Courchevel Toploading Case is built for users who demand both durability and smart functionality. With its robust ballistic nylon exterior and sleek toploading design, this case provides fast access to your notebook while keeping it securely tucked away in a reinforced compartment. The metal buckled handles and trolley strap add practical convenience for business travellers, daily commuters or students on the move.

Inside, you'll find a well-thought scaffold of storage: an up-to-11" tablet sleeve, a front organiser pocket for cables and accessories, and webbing handles that enhance portability. The 44 x 33.5 x 8 cm external size ensures it remains compact while offering full 15.6" laptop compatibility. Whether you're diving between meetings, catching public transit or working from a café, this case balances protective design with a minimal profile.

Performance tier: Premium everyday commuter

Uses: Laptop transport, business travel, student daily use, commuter carry, corporate meetings

Description

The Port 160514 Courchevel 15.6´´ Toploading Case blends refined design with rugged materials to deliver a dependable laptop carry solution. Its top-loading main compartment allows effortless insertion and removal of your notebook, secured with a hook-and-loop strap and cushioning to absorb everyday shocks. The outer shell combines 1680D ballistic nylon and 600D nylon for resilience against wear and tear on transit. Internally, the laptop compartment accommodates devices up to 38.5 x 26 x 6.5 cm (approx) according to official specs.

Additional organisational features include a front pocket with basic organiser for your charger, mouse or accessories, plus a dedicated space for tablets up to 11´´. A trolley strap secures the case to rolling luggage, while braided webbing handles and metal buckles complete the functional aesthetic. Whether navigating busy city life or preparing for a corporate client meet, this case supports your workflow with efficiency and style.

Features

Key benefits and advanced features of the Courchevel Toploading Case:

- High-durability exterior crafted from 1680D ballistic nylon and 600D nylon - robust protection against daily knocks and abrasion.
- Dedicated padded compartment for up to 15.6´´ laptops, measuring approx 38.5 x 26 x 6.5 cm - secure and snug fit.
- Top-loading entry design enables rapid access to your laptop without unpacking the entire case.
- Front organiser pocket for accessories - helps manage charger, mouse, mobile phone and cables neatly.
- Trolley strap and webbing handles enhance portability - ideal for travellers combining carry-on luggage and laptop case.
- Metal buckles and zippers for increased durability and a premium finish.

- Metal buckles and robust zippers for durability

FAQ

What size laptop fits in this case?

The case is designed to hold laptops up to 15.6´´, with a laptop compartment measuring approximately 385 x 260 x 65 mm, so it accommodates most standard 15.6´´ notebook models.

Is this case suitable for travel and commuting?

Yes. The top-loading design, trolley strap, durable nylon construction and organiser pocket make it ideal for daily commuting, business travel or students moving between classes and study locations.

What materials are used and how reliable is the build quality?

The bag uses a mix of 1680D ballistic nylon and 600D nylon, which provides high durability and resilience against wear. Metal buckles and zippers enhance longevity, and the limited lifetime warranty delivers additional assurance.

Does the case include a strap and how can I carry it?

Yes, it includes webbing handles and a removable carrying strap, plus a trolley strap so you can attach it to rolling luggage for hands-free transport.
