Specifications

About this product

The Port 170224 Manhattan 14/15.6" Toploading Bag offers a durable, lightweight design to protect laptops and essential accessories. Its compact toploading construction with padded compartments ensures secure storage and easy portability for daily commuting, school, or work.

Overview Summary

Product: Port 170224 Manhattan 14/15.6" Toploading Bag

The Manhattan Toploading Bag is crafted for professionals and students who need reliable laptop protection. It features a padded main compartment suitable for laptops up to 15.6 inches, along with multiple accessory pockets for chargers, notebooks, and essentials. Its compact 435 x 350 x 135mm dimensions provide ample space without being bulky, while reinforced handles and a durable fabric exterior ensure long-lasting use.

Designed for convenience, this bag allows easy access to your laptop and accessories, making it ideal for work, school, or travel. Lightweight yet sturdy, the Manhattan Bag combines style with practical functionality, offering a modern solution for everyday laptop transport.

Performance tier: Premium

Uses: Laptop transport, office work, school, business travel, daily commuting

Overview

A Top loading bag for laptop designed to carry and protect your laptop 14/15,6" with its reinforced protection EEP (Eva Extra Protection). Its compact size and its large capacity loading will delight you to transport your belongings more easily. Your documents will find their place in the compartment that is dedicated to them. Your multimedia accessories will find their place in the wide front pocket. Its front and rear pockets allow you quick access to airplane tickets, ID papers etc... Its high resistance and removable shoulder strap associated to an ergonomic shoulder strap allow you to carry your bag on your

shoulder more comfortably. The metal buckles will allow you to transport your documents the heaviest (they can support until 70kg). The back strap allows you to carry it on a trolley. The magnetic handles provides better comfort.

Description

The Port 170224 Manhattan Toploading Bag is engineered for both style and protection. Its padded laptop compartment safeguards devices against bumps and scratches, while multiple internal and external pockets allow organized storage of accessories. The bag's top-loading design provides fast access to laptops and essentials, reducing hassle during commuting or travel. Reinforced stitching and sturdy handles ensure durability over prolonged daily use, making it an ideal companion for students and professionals alike.
