Features:

The Liberty III Toploading is a compact and lightweight bag designed to carry your laptop. This toploading bag means that your laptop is inserted from the top of the bag.

The entire bag is fully padded, providing extra protection for all your belongings and your computer equipment. The padded structure of the main compartment allows you to carry your documents and your computer safely.

A large zipped front pocket keeps your things close at hand with room for your charger, smartphone and accessories. The removable carrying strap will allow you to comfortably carry your computer on your shoulder, which is very convenient when travelling with bulky items.
