

210-BWPG

Dell 210-BWPG Pro 22 E2226H 21.5" IPS Full HD 1920x1080 IPS Monitor, DP, HDMI, VGA

Product Overview

Dell 210-BWPG Pro 22 E2226H 21.5" IPS Full HD 1920x1080 IPS Monitor, 8ms GTG response time, 16:9 Aspect Ratio, 178 degree viewing angle, Tilt, stand included, 1920x1080 at 100Hz maximum Resolution, 16.7 million colours supported, 1000:1 Native contrast ratio, 300 nits brightness, 72% NTSC Colour Gamut, 1x HDMI Port, 1x DisplayPort 1.4, 1x VGA Port, 100x100 VESA Mount Standard

Specifications

Overview Summary:

The Dell Pro 22 E2226H is a 21.5-inch Full HD IPS monitor built for reliable everyday productivity. With a 100Hz refresh rate, clear 1920 x 1080 resolution, wide viewing angles and eye comfort technology, it delivers a comfortable viewing experience for work and daily computing.

HDMI, DisplayPort and VGA connectivity make it easy to connect modern and legacy devices, while the compact stand and VESA compatibility offer flexible installation. Buy now for a dependable Dell monitor for your home or business workspace, or shop now for straightforward Full HD performance.

Performance tier: Entry-level business and productivity

Uses: Office work, home office, business applications, web browsing, document editing, spreadsheets, multitasking, general computing

Overview:

Dell Pro 22 E2226H 21.5 Inch Full HD IPS Monitor

The Dell Pro 22 E2226H is a practical 21.5-inch Full HD IPS monitor designed for everyday productivity, office work and general desktop use. With a 1920x1080 resolution, 100Hz refresh rate and wide 178 degree viewing angles, it provides smooth on-screen movement and consistent image quality. The fixed stand keeps the setup compact, while HDMI, DisplayPort and VGA connectivity makes it suitable for both modern and legacy computers.

Description:

The Dell E2226H combines dependable image quality with a space-saving design that works well in home and business environments. Its IPS panel delivers consistent colours across a wide viewing angle, while the 100Hz refresh rate helps make scrolling and everyday movement appear smoother. Hardware-based low blue light technology can reduce blue light emissions to 50% or less without compromising colour quality, helping provide a more comfortable viewing experience during extended work sessions.

The monitor also offers a 1000:1 native contrast ratio and 300 nits brightness for clear images and well-defined content. An ultra-thin bezel helps reduce visual distractions, while the compact stand and integrated cable management help keep the desk organised.

Features:**Comfortable Viewing for Everyday Work**

Certified for TUV Rheinland 3-Star eye comfort, the Dell Pro 22 E2226H is designed with long working sessions in mind. Its hardware low blue light technology reduces blue light emissions while maintaining colour performance. The 100Hz refresh rate also helps reduce flicker and provides smoother scrolling compared with standard 60Hz displays.

Full HD IPS Display for Clear Images

The 21.5-inch IPS panel produces a Full HD 1920x1080 resolution with support for up to 16.7 million colours. With 72% NTSC colour coverage, the monitor provides vibrant and consistent visuals for office applications, web browsing, documents, video and general multimedia.

Key display details include:

- 21.5-inch IPS display
- Full HD 1920x1080 resolution
- 100Hz maximum refresh rate
- 8ms GTG response time
- 16:9 aspect ratio
- 178 degree horizontal and vertical viewing angles
- 300 nits brightness
- 1000:1 native contrast ratio
- Up to 16.7 million displayable colours
- 72% NTSC colour gamut

Flexible Connectivity for Modern and Older PCs

The Dell E2226H provides a useful selection of video inputs, allowing it to connect to a range of desktop computers, laptops and other compatible devices. DisplayPort 1.4 and HDMI support Full HD at up to 100Hz, while VGA provides compatibility with older systems.

Available connections include:

- 1x DisplayPort 1.4 with HDCP 1.4
- 1x HDMI 1.4 with HDCP 1.4
- 1x VGA
- Security lock slot
- Power connector

The included cables consist of a 1.8m power cable and 1.8m HDMI 1.4 cable.

Compact Design for Office Desks

The monitor is designed to fit comfortably into a range of workspaces. Its compact stand includes cable management to help reduce desktop clutter, while the 100x100 VESA mounting standard allows the display to be installed on compatible monitor arms or wall mounts.

The stand provides tilt adjustment, giving users the ability to position the screen for a more comfortable viewing angle.

Dell Display and Peripheral Manager

Dell Display and Peripheral Manager provides additional tools for organising and managing a Dell PC workspace. Easy Arrange can divide the desktop into preset or customised screen layouts, making it easier to work with multiple applications at the same time. Saved application profiles can also be restored manually, on a schedule or when the computer starts.

For compatible business environments, Dell Device Management Console provides centralised management capabilities for

Dell peripheral fleets.

Designed With Sustainability in Mind

The Dell Pro 22 E2226H incorporates recycled materials into its construction, including up to 95% post-consumer recycled plastic, up to 16% recycled steel and 20% recycled glass. The monitor is also ENERGY STAR certified, EPEAT Gold registered with Climate+, and carries TCO Certification and TCO Certified Edge credentials.

Its packaging is made from 100% recycled or renewable materials, supporting a more resource-conscious approach to product packaging.

Dell E2226H Dimensions and Weight

The monitor measures 488.06mm wide and 286.09mm high without the stand. With the stand fitted, the overall height is 383.79mm. Its compact 47.70mm monitor depth makes it suitable for desks where space is limited.

- Monitor height with stand: 383.79mm
- Monitor width: 488.06mm
- Monitor height without stand: 286.09mm
- Monitor depth: 47.70mm
- Stand width: 222.03mm
- Stand height: 174.02mm
- Stand depth: 171.00mm
- Weight with stand and cables: 2.76kg
- Weight without stand and cables: 2.19kg

Part Number and Model Information

This Dell Pro 22 E2226H monitor is identified by Part Number / SKU MNDE210-BWPG. The manufacturer part number is MC7NV and the Dell part number is 210-BWPG.

The Dell E2226H is a sensible choice for offices, reception areas, workstations, home offices and general desktop computing where Full HD resolution, reliable IPS image quality and versatile connectivity are important.
