Norton Antivirus Plus 2GB - 1 device - Physical package

Product Overview

Norton Antivirus Plus 2GB - 1 device - physical package, Up to 2GB PC Cloud Backup, Firewall for PC and Mac, Password manager, Secure VPN

Specifications

Overview:

Norton AntiVirus Plus 2GB is designed to protect your connected device as well as your personal information. It can protect your PC or Mac from viruses, ransomware, malware, and other online threats while you bank, shop and browse the internet. It ensures that your device is protected from unauthorized access to your files and the financial information it stores with the Smart Firewall. Norton AntiVirus Plus also includes always-there member support by NortonLifeLock Member Services & Support Agents. Should the unexpected happen, you'll be covered with Norton's Virus Protection Promise to help restore your devices.

Everyday activities like online shopping, banking, and browsing can expose your information, making you more vulnerable to cybercrime. Norton AntiVirus Plus 2GB is designed to provide multiple layers of protection for your PC or Mac, including firewall protection. With the password manager, you can easily generate, store, and sync all your passwords to log into any site more securely.

Norton AntiVirus Plus 2GB offers you protection and device security for 1 device, ranging from a PC, Mac, smartphone, or tablet device for 12 months, which can also easily be renewed for longer periods if needed.

Features:

- Real-time protection
- Device Security for 5 PCs, Macs, smartphones, or tablets
- Online Threat Protection against ransomware, viruses, spyware, and malware
- Smart Firewall protects you from suspicious network traffic
- Up to 2GB PC Cloud Backup
- Create, store and manage passwords
- Norton Parental Control, School Time, SafeCam and Norton Secure VPN included
- 12-Month Subscription (Can be renewed)
