

2.5TYPEC

Microworld SATA Transparent Type-C Chassis

Product Overview

Microworld SATA Transparent Type-C Chassis, USB Type-C Output, Up to 2tb+ supported capacity, Transparent ABS Plastic material, Up to 5Gbps transfer Speed

Specifications

Overview Summary:

This sleek 2.5" SATA Transparent Type-C Chassis allows you to transform your internal 2.5" SATA HDD or SSD into a portable external drive with ease. Featuring a USB Type-C output, it delivers fast data transfer speeds of up to 5Gbps, ensuring quick access to your files and data. The transparent ABS plastic design not only looks stylish but also lets you see your drive in action, enhanced by an LED indicator for power and data activity. It's a perfect choice for expanding storage, backing up important files, and even for data recovery or cloning. With tool-free installation and plug-and-play compatibility, this external drive is ideal for users on the go. Shop now for a quick and reliable solution to your storage needs!

Performance tier:High-speed, tool-free external storage

Uses:External portable hard drive, file backup, data recovery, expanding laptop/desktop storage, expanding smart TV or gaming console storage, drive cloning

Overview:

Microworld SATA Transparent Type-C Chassis

Transform your internal 2.5" SATA HDD or SSD into a portable external drive with the Microworld SATA Transparent Type-C Chassis. Designed for fast data transfers and wide device compatibility, this sleek enclosure offers a modern plug-and-play experience with a clear casing that showcases your drive in action.

Description:

This 2.5" transparent SATA hard drive enclosure comes with a USB Type-C output, providing transfer speeds of up to 5Gbps. Its lightweight, compact design makes it perfect for on-the-go use, while LED indicators keep you informed about power and data activity. The tool-free installation allows quick swapping of drives, making it an ideal solution for expanding storage, backing up files, or testing drives.

Features:

Supports Multiple Drives

- Compatible with 2.5" SATA I/II/III HDDs and SSDs
- Suitable for up to 2TB+ storage capacity

High-Speed USB Type-C Connectivity

- Fast and stable data transfer through USB 3.1/3.0 Type-C
- Backward compatible with USB 2.0 devices

User-Friendly Design

- Transparent ABS plastic casing lets you see your drive in action
- Tool-free installation for easy drive swapping
- LED indicators display power and data activity
- Compact and portable for travel and workspace convenience

Practical Applications

- Use as an external portable hard drive for laptops, desktops, smart TVs, and gaming consoles
- Backup important files, photos, videos, and documents
- Expand storage or perform data recovery, cloning, and drive testing
