Specifications

Overview:

Unlock vibrant visuals and wide-angle viewing with the LG 27" IPS Full HD Monitor, designed to deliver consistent colour and clarity from virtually any angle. With IPS panel technology and a 1920 x 1080 resolution, this display ensures crisp images and accurate colour reproduction across a 178 degrees horizontal and vertical viewing range. Whether you're working, streaming, or browsing, enjoy every detail with rich colour depth and stunning visual precision.

Enjoy ultra-smooth performance across gaming, video playback, and everyday multitasking with a 100Hz refresh rate that reduces motion blur and screen tearing. A rapid 5ms (GtG) response time minimizes reverse ghosting, making fast-paced scenes in games and videos feel more fluid and immersive. Plus, with Dynamic Action Sync, you can reduce input lag and react in real time, while Black Stabilizer enhances visibility in dark scenes to give gamers a tactical edge.

Designed with your eyes in mind, the monitor includes Reader Mode, which adjusts colour temperature and brightness to create an ideal screen setting for reading, and Flicker Safe technology, which reduces invisible screen flicker to minimize eye strain during long work or play sessions. Thanks to OnScreen Control, users can effortlessly customize screen layout and settings for a more efficient and personalized workflow.

With its three-sided virtually borderless design, the LG 27" monitor not only enhances your viewing experience but also adds a clean, modern look to your workspace. The adjustable tilt stand lets you find the perfect angle for comfort and productivity. Dual HDMI ports provide easy connectivity for multiple devices, while the 3.5mm headphone out supports immersive audio output. Whether you're upgrading your home office or refining your gaming setup, the LG 27" IPS monitor delivers the perfect balance of form and function.

Features:

- 27" IPS Full HD display
- 100Hz Refresh Rate
- 3-side Virtually Borderless design
- Reader Mode / Flicker Safe
- OnScreen Control
- 5ms (GtG) response time
