Specifications

Overview:

This 055 Magenta Toner Cartridge is designed to maximise the potential and print quality of compatible i-SENSYS laser printers. Print more pages for longer without having to change, thanks to an impressive printing yield of around 2,100 pages, and the all-in-one design and easy installation means any member of staff could fit a new cartridge when needed. The toner cartridge itself is fully RoHS compliant and the packaging is fully recyclable.

Features:

- Printing yield of 2,100 pages for an impressive volume of prints without needing to be replaced
- Canons innovative one-component design means the cartridge requires no maintenance
- Cartridge fitting and removal is easy meaning that a technician is not required to replace them
- Designed and tailored to the i-SENSYS range, the only cartridge capable of maximising printer lifespan
- Durable and reliable build for outstanding image quality
- Fully RoHS compliant
- Efficient and fully recyclable packaging means no landfill and reduced CO2
- Return every toner cartridge to be reused or recycled. It's free, easy and environmentally friendly
