Genius Ergo KB-700 with Palm rest Wired Keyboard - USB

Product Overview

Genius Ergo KB-700 with Palm rest Wired Keyboard - USB, Chocolate Keycap Type, 12 Function Keys, Ergonomic, Palm rest, 1.5m cable length

Specifications

Overview Summary:

The Genius Ergo KB-700 ergonomic wired keyboard with palm rest is built to give you a more natural typing experience, helping reduce strain on your hands and wrists during long hours of work or study. Its split wave design and foldable tilt legs support better posture, while the smooth chocolate-style keys ensure responsive and comfortable typing. With a durable 1.5m USB cable, this keyboard offers a stable and reliable connection for everyday use.

Equipped with 12 shortcut keys and a dedicated Copilot button for Windows 11, the KB-700 boosts your productivity and streamlines your workflow. Perfect for professionals, students, and home users, it delivers both comfort and efficiency in one sleek design. Shop now and enjoy a healthier typing experience with every keystroke.

Performance tier:Mid-range

Uses:Office work, studying, everyday computer use, productivity tasks, Windows 11 Copilot access

Overview:

Genius Ergo KB-700 Ergonomic Keyboard with Palm Rest

The Genius Ergo KB-700 is a wired ergonomic keyboard designed to make typing more comfortable, natural, and efficient. With a split wave layout, palm rest, and shortcut keys, it reduces strain on your hands, wrists, and shoulders, making it an excellent choice for long hours of work or study.

Description:

This keyboard combines comfort and productivity with an ergonomic split wave design, a built-in palm rest, and 12 quick-access shortcuts. The dedicated AI Copilot key offers instant access to Windows 11 Copilot, streamlining your workflow and boosting efficiency. Its durable wired connection and thoughtful layout make it an ideal option for professionals, students, and everyday users.

Features:

Key Advantages

- Ergonomic split wave layout for natural hand placement
- Palm rest for improved wrist and forearm comfort
- Foldable tilt legs for better support and posture
- AI Copilot key for instant access to Windows 11 assistant
- 12 convenient shortcut keys for media and computer control
- Sturdy USB wired connection with 1.5m cable length

Designed for Comfort

The split wave layout is engineered to support natural hand positioning, easing tension in the forearms, shoulders, and wrists. Combined with the palm rest and foldable tilt legs, it promotes a healthier typing posture and long-lasting comfort.

Productivity Boost with AI Copilot

Equipped with a dedicated Copilot key, this keyboard makes it easier to use AI-powered tools on Windows 11. One press instantly launches Copilot, giving you faster access to smart assistance while you work.

Shortcut Keys for Everyday Efficiency

Stay productive with 12 built-in shortcut keys for quick access to frequently used media and computer functions. Whether

adjusting volume, controlling playback, or managing system tasks, these keys save time and improve workflow.

Durable Wired Design

With a 1.5-meter USB cable, the KB-700 ensures a stable connection without interruptions. Its chocolate keycap style also provides a smooth typing feel and reliable performance over time.
