Specifications

About this product

The Genius HS-M905BT Wireless In-Ear Earbuds in Black combine stable Bluetooth 5.3 connectivity, bass-rich sound, and a compact, lightweight design. With up to 4 hours of playback and rapid Type-C charging, these wireless earbuds are ideal for music, calls, and daily use.

Overview Summary

Genius HS-M905BT Wireless In-Ear Earbuds - Black

The Genius HS-M905BT earbuds offer reliable audio performance and comfort in a sleek black design. Equipped with Bluetooth 5.3, they provide fast pairing, low latency, and clear sound for music and calls. Their ergonomic design ensures a secure fit for daily activities, workouts, or travel.

ComX Computers

Product Specification Sheet

Each earbud features a 3.7 V / 40 mAh battery for up to 4 hours of music playback, while the 3.7 V / 200 mAh charging case extends total standby time to 260 hours. Rapid charging via Type-C allows quick recharge for uninterrupted listening. These earbuds deliver well-balanced bass and clear voice clarity, making them versatile for all-day use.

Performance tier: Entry-level wireless earbuds

Uses: Daily listening, calls, travel, online meetings, workouts

Overview:

Swift, stable connection with reduced latency and enhanced anti-interference, providing 4 hours of continuous music playback and seamless call management. Enjoy high-quality bass-enriched audio and comfortable wearing experience.

- Rapid full charging via Type-C connection
- Extended standby time of up to 260 hours due to a long-lasting battery
- Enjoy non-stop music playback for up to 4 hours

Description

The Genius HS-M905BT Wireless In-Ear Earbuds offer high-quality audio performance in a lightweight and comfortable in-ear design. Using Bluetooth 5.3, they provide fast, stable pairing and low latency for music and call applications.

With a 3.7 V / 40 mAh battery, the earbuds provide up to 4 hours of continuous playback. The 3.7 V / 200 mAh charging case extends the total standby time up to 260 hours, ensuring the earbuds are always ready to use. Rapid Type-C charging supports quick power top-ups for uninterrupted listening sessions.

The compact earbuds have a secure and ergonomic fit, while their black finish offers a sleek and modern look. They are suitable for daily listening, travel, workouts, and online communication, providing balanced sound and reliable performance.
