Rotational Headset

The new PC headset from Genius, HS-400A, is great for VOIP chatting and also has a great appearance.

From the outside, HS-400A features a graffiti pattern and a vivid green which catch everyone's eyes. From the inside, the in-line volume control and adjustable microphone lets you adjust it to your liking. The headband and ear cups are also adjustable and provide great listening experience.

HS-400A is a great choice for practical solutions and it also makes you stand out in the crowd. Contact your sales representative for more information about HS-400A.
