Specifications

Overview:

Want to have a high-performance external storage device with USB 3.1 interface, but consider commercially available products too expensive? Sharkoon have a solution! Introducing the all new Sharkoon QuickStore Portable USB 3.1 Enclosure a special DIY [do it yourself] kit for an external storage device with USB 3.1 interface that features a stylish dwelling for a solid-state drive or a hard disk drive in 2.5"/9.5mm form-factor with Serial ATA-6Gb/s interface. In addition, the stylish external hard drive case is extremely flexible: A single 2.5" SATA hard drive or Solid State Disk with a maximum height of up to 9.5 mm can be easily and tool-free installed. Thanks to its compact design, the high-quality case with brushed aluminum surface fits into almost every pouch. Connection to a PC or laptop occurs via the integrated USB 3.1 interface, which also conveniently supplies power to the device. The enclosure measures a compact 134mm*85mm*14mm and weighs only 51 grams. Packaging includes a USB 3.1 cable (type-A plug to micro-B port).
