Specifications

Overview Summary

Hisense 40A5Q 40 Inch Full HD QLED VIDAA Smart TV

Experience stunning Full HD visuals with the Hisense 40A5Q Smart TV. Featuring a 1920 x 1080 resolution, HDR10 and HLG support, and a 5000:1 contrast ratio, this TV delivers vibrant colors, sharp images, and immersive viewing from any angle up to 178 degrees. Perfect for movies, shows, and sports in South African homes.

Powered by VIDAA Smart OS, the 40A5Q provides fast, intuitive access to your favorite streaming services and apps. Enjoy rich, dynamic sound with Dolby Atmos and a 16W (2x8W) audio system. Its sleek design and 200 x 200 mm VESA mount compatibility make installation simple and stylish.

Performance tier: Mid-range Smart TV

Uses: Streaming, Gaming, Movies, Sports, Home entertainment

Overview

The Hisense 40 inch 40A5Q Full HD Smart TV features vibrant QLED color technology for rich, lifelike visuals and a 1920x1080 resolution. Enhanced with Dolby Atmos, it delivers immersive, room-filling sound for a powerful entertainment experience. Equipped with VIDAA Smart OS, HD Triple Tuner, and Wi-Fi connectivity, it offers versatile streaming options and an optimized game mode for seamless enjoyment.

Description

The Hisense 40A5Q combines advanced visual and audio technologies to deliver a premium entertainment experience. Its Full HD QLED panel ensures bright and vivid colors, while HDR10 and HLG support provide detailed contrast for both dark and bright scenes. VIDAA Smart OS allows seamless access to popular streaming platforms and apps, making content discovery

fast and easy. Dolby Atmos sound with an integrated equalizer produces a cinematic audio experience right in your living room. Designed with a sleek profile and versatile mounting options, the 40A5Q blends functionality with elegance, making it ideal for modern South African homes.

Features

The Hisense 40A5Q offers a combination of clarity, smart functionality, and audio performance:

- Full HD QLED display delivering crisp images and vibrant colors.
- HDR support (HDR10, HLG) enhances contrast and color depth for a more realistic viewing experience.
- VIDAA Smart OS for smooth navigation, app downloads, and streaming services access.
- Dolby Atmos audio with 16W (2x8W) speakers and built-in equalizer for rich, immersive sound.
- 178degrees wide viewing angle ensures clear visuals from any seating position.
- Energy-efficient design with 0.5W standby power and 74W max consumption.
