Canon PIXMA iP2700 A4 Entry level printer

Product Overview

Canon PIXMA iP2700, A4 Entry level printer, Dual cartridge system, USB, Windows, Mac compatible

Specifications

Features:

- Produce superb quality printed documents and images with impressive levels of detail, thanks to Canon's FINE technology with 2pl ink droplets and up to 4800 x 1200dpi print resolution.
- FINE cartridges use dye-based inks for perfect photo printing, while an additional pigment black ink ensures crisp, sharp text.
- Combining quality and speed, the PIXMA iP2700 prints a 10 x 15cm borderless photo in approximately 55 seconds with default settings.
- Canon supports the industry-wide ISO standard for measuring print speeds.
- This makes it easy for you to select the right PIXMA based on real print performance.
- The PIXMA iP2700 offers ISO ESAT speeds of 7.0ipm for mono documents and 4.8ipm for colour.
- Easy-WebPrint EX is intuitive software that makes it easy to clip, edit and print information from the web: organise multiple clippings on a single page to save paper.
- Auto Photo Fix II is advanced software that corrects a wide range of common image faults including underexposure.
- Using sophisticated Scene Analysis and Face Detection technology, problems such as red eye are swiftly eliminated.
- Exposure levels of separate parts of an image are optimised for best results.
- The ChromaLife100+ system provides long lasting, beautiful photos.
- This great looking printing takes up minimum desk space and the sleek, low-profile body sits neatly on any shelf.
