Verbatim CD-R extra protect SC single optical disk

Product Overview

Verbatim 43347s CD-R extra protect SC single optical disk, 700MB capacity, 52x speed

Specifications

Overview:

When drive manufacturers test their products, they use Verbatim media. Its the global No.1 for a reason - guaranteed quality!

Due to the extensive research and development undertaken over the past 50 years, Verbatim is able to provide the highest quality discs which ensure that all your data will be safely stored and will last a lifetime.

Features:

Long Lifetime
Optical discs provide the best solution for long-term safe and secure storage of your important files - ideal for all your precious photos, videos and documents that you want to keep forever. They are dust and water resistant and can withstand wide changes in temperature and humidity.

Extra Protection
The white surface on these CDs provides extra protection for the label side of the disc. This coating can be written on with a CD/ DVD marker pen.
