Specifications

Overview:

Enjoy productive, quality printing that's economical too with this dependable, high yield, dedicated MegaTank printer featuring diverse media handling - for pin-sharp documents and vivid photos at home, or in the office.

Features:

High yield, economical and productive everyday printer

Convenient, day-to-day printing that's cost-effective too. Enjoy pin-sharp documents and vivid photos with quality you can always count on.

Tremendous volume, low-cost printing

Keep on printing while keeping costs down thanks to huge yields of up to 12,000 pages (26% more in Economy mode³) from 2 black ink bottles, or 7,700 pages with a single set of colour bottles.

High quality at speed

Count on quality at speed (9.1 ipm in black / 5 ipm in colour), with pigment black ink ensuring pin-sharp text and dye colour inks delivering vivid colour photos.

Easy maintenance

Minimise downtime and meet every deadline with ease, with a user-replaceable maintenance cartridge that ensures dependable, day after day performance.

Thoughtful design

Refill ink tanks without fuss or effort using handy non-squeeze bottles with unique key type nozzles that ensure each ink bottle can only refill its equivalent tank.
