Specifications

Overview:

Transport your laptop, tablet and files safely and securely with the Dell Urban Backpack-15. Sleek and lightweight, the backpack can fit Dell laptops with up to 15.6" screens.

Features:

Protect your laptop and tablet during transit
Transport your laptop safely and stylishly with the Dell Urban Backpack-15. Your laptop and tablet will be snugly tucked between layers of foam that absorb shocks and bumps along the road. The Urban Backpack also has dedicated laptop and tablet compartments within the main compartment that will keep your electronics safe and secure.

Durable fabric for added protection

Treated fabric, high-density thread count and a 1680D material base panel provide added durability and protection, while the reflective accents around the outer zip ensure increased visibility during your daily commute.

Sleek, lightweight design for style and comfort
A compact, lightweight design with a sleek profile provides style and functionality. A padded, air mesh back panel enhances your carrying comfort. The shoulder straps are also easily adjustable for a customised, comfortable fit.

Large storage compartment for files and essentials
A large storage compartment offers space for files, documents and other necessities in addition to your laptop and tablet secured in their own compartments.

Quick-access outer pockets for small accessories
The quick-access pocket on the front of the backpack has a durable welded zip, and keeps your keys, mobile phone or wallet within reach. An additional front pocket helps keep your valuables safe, with an organisation panel for added functionality.

External water bottle holders
With water bottle holders on the outside, the pack helps you keep liquids away from sensitive electronics and important files.

Fits most laptops up to 15.6"
The Urban Backpack fits up to 15.6-inch screen laptops, ensuring compatibility with a wide variety of models. All Dell tablets fit comfortably within the tablet compartment.
