Specifications

Overview:

The Dell Professional Briefcase 14 securely stores your 14" laptop and tablet within a dedicated plush lined laptop sleeve and tablet pocket while you're out and about.

Features:

Stylish protection for your laptop and office essentials on-the-go
Classic, multi-compartment briefcase keeps your laptop, tablet and accessories protected and organized.

Keep your laptop, tablet, and all your office essentials protected wherever you go with the Dell Professional Briefcase 14. Your 14" laptop and tablet will be securely protected within the dedicated plush-lined laptop sleeve and tablet pocket.

Lightweight and comfortable to carry in three flexible ways
The briefcase is lightweight and comfortable to carry around with padded handles that allow you to grab and go. Or you can go hands-free by using the detachable, adjustable padded shoulder strap. While traveling, you can easily slip your briefcase onto your rolling luggage using the trolley strap.

Weather resistant, durable materials prevent damage
Constructed with water resistant and durable ballistic nylon material, the briefcase keeps all your office essentials and electronics safe from the elements. Reflective accents provide increased visibility during low light commute hours.

Easy access to all your office essentials
A deluxe organizer panel keeps all your everyday essentials within reach while collapsible folders efficiently organize your documents. Enjoy abundant storage within the double compartments to transport your office essentials.

Charge your laptop on-the-go
You can also charge your laptop within the bag on-the-go with a portable battery charger (sold separately) tucked neatly in the dedicated battery pocket via a cable pass-through.

Fits 14" laptops
The Dell Professional Briefcase 14 fits up to 14" Dell laptops for secure protection wherever your busy day takes you.
