Specifications

Features:

Stylish protection for your laptop and office essentials on-the-go
Triple-compartment backpack offers protection and multiple storage pockets for work and beyond.

Keep your laptop, tablet and all your office essentials protected wherever you go with the Dell Professional Backpack 17. Your 17" laptop and tablet will be securely protected within the dedicated plush-lined laptop compartment and tablet pocket.

Lightweight and comfortable to carry in three flexible ways
The briefcase is lightweight and comfortable to carry around with padded handles that allow you to grab and go. Or you can go hands-free by using the detachable, adjustable padded shoulder strap. While travelling, you can easily slip your briefcase on to your rolling luggage using the trolley strap.

Weather resistant materials prevent damage

Constructed with water resistant and durable ballistic nylon material, the backpack keeps all your office essentials and electronics safe from the elements. Reflective accents provide increased visibility during low light commute hours.

Easy access to all your office essentials
A deluxe organiser panel keeps all your everyday essentials within reach while easy-grip zip pulls provide quick access to whatever you need. Enjoy abundant storage within the triple compartments to transport your office essentials.

Charge your laptop on-the-go
You can also charge your laptop within the bag on-the-go with a portable battery charger (sold separately) tucked neatly in the dedicated battery pocket via a cable pass-through.

Fits 17" laptops
The Dell Professional Backpack 17 fits up to 17" Dell laptops for secure protection wherever your busy day takes you.
