Overview:

Make a positive impact on the environment by choosing the Dell Pro Briefcase 14 (PO1420C), made with a more earth-friendly solution-dyeing process that generates 90% less wastewater, 62% less CO2 emissions, and uses 29% less energy than traditional dyeing processes. Plus, EVA foam cushioning offers shock resistance and a lightweight way to protect your laptop. Your laptop and office essentials will remain dry inside the briefcase that is coated with a water-resistant material made from reclaimed automobile windshields. Comfortably carry the lightweight briefcase by the padded top handles, non-slip padded shoulder strap or attach the briefcases trolley strap onto rolling luggage. Stay productive in transit by charging your laptop inside the briefcase through a dedicated portable charger pocket (portable charger sold separately).

Features:

Earth-friendly, impact-resistant protection for your laptop

Make a positive impact on the environment by choosing the Dell Pro Briefcase 14 (PO1420C), made with a more earth-friendly solution-dyeing process that generates 90% less wastewater, 62% less CO2 emissions, and uses 29% less energy than traditional dyeing processes. Plus, EVA foam cushioning offers shock resistance and a lightweight way to protect your laptop.

Durable coating keeps essentials dry

Your laptop and important documents will remain dry in wet, stormy weather while inside the briefcase that is coated with a water-resistant, protective material made from reclaimed automobile windshields.

Conveniently charge your laptop in the briefcase when you're on-the-go.

Stay productive in transit

Charge your laptop inside the briefcase while you're in transit by passing a cable through to a dedicated portable charger pocket*. You'll arrive at your destination ready to continue working on your charged laptop.

Lightweight and comfortable to carry in three flexible ways

Grab the lightweight briefcase's padded top handles when you're heading out to work or embarking on your next travel adventure. Or, sling the detachable and adjustable, non-slip padded strap over your shoulder to go hands-free. When you're traveling with a rolling suitcase, simply attach the briefcase on top of the case with the trolley strap and head to your next flight, bus or train.

Keep everything organized and well-guarded against impact and scratches.

All your office essentials within reach

Keep your important documents and everyday supplies well organized in the briefcase's main storage compartment. Place keys, coins and other small essentials in the front zippered organizer compartment with pockets while you're on the move.

Increase your visibility during low-light hours

Reflective accents on the briefcase will help make you more visible to motorists during early morning and evening commute hours when you're carrying the Dell Pro Briefcase 14 (PO1420C).

Fits most laptops, up to 14-inches

The Dell Pro Briefcase 14 (PO1420C) with anti-scratch lining, holds most Dell laptops, up to 14-inches, for superior protection wherever your busy day takes you.
