Specifications

Overview:

Dell EcoLoop Pro Classic Briefcase 14

Shop the Dell EcoLoop Briefcase with durable anti-scratch nylex lining, multi-compartment design, water & dirt resistant.

Features:

Designed with the environment in mind

The Dell EcoLoop label identifies products that are manufactured with select materials and/or processes that help reduce our environmental impact.

Proudly OceanCycle Certified

The exterior main fabric is made with 100% OceanCycle Certified recycled ocean-bound plastic from approximately 8 recycled plastic bottles collected from ocean coastline or major waterways. This durable, yet sustainable fabric helps reduce our environmental impact while still protecting your tech gear and essentials while on-the-go.

Responsible dyeing process

Made with a solution-dyeing process for polyester that can generate up to 97% less greenhouse gas emissions, water impact and fossil fuels than traditional dyeing processes. app.worldly.io They were calculated by Positive Scenarios Consulting, LLC and are not verified by Higg." style="box-sizing: border-box; text-size-adjust: 100%; border: 0px; padding: 0px; margin: 0px; background-color: inherit; cursor: pointer;">

100% recycled packaging

The carrying case comes in packaging that's made with 100% recycled content in the hang tag, hang loop and plastic bag.

Front compartment

Arrange accessories in the zippered, expandable compartment using the built-in storage organizers. A quick-access zippered front pocket is convenient for storing smaller essentials and accessing them quickly when needed.

Main compartment

Conveniently store larger files and accessories in the spacious, zippered main compartment. A dedicated, padded tablet sleeve keeps your tech safe.

Rear laptop compartment

Safely store and protect your tech in the padded, rear zippered compartment of the briefcase.

Safeguard your essentials

360º foam cushioning with anti-scratch nylex lining surrounds the dedicated laptop compartment while EVA+ foam cushioning on the back-panel offers shock resistance for ultimate on-the-go protection.

Be seen

Enjoy a safe commute with reflective accents on either side of the bag for increased visibility during low light hours.

Long-lasting durability

Our carrying cases are put through rigorous quality tests, including water resistance, strap and zipper strength and fabric abrasion, proving their sturdiness and long-lasting durability for the protection of your belongings. Made from a heavy-duty fabric that's water and dirt resistant, this briefcase is easy to maintain with wipe-clean bottom coating and keeps your items inside dry and well protected.

Carry with ease

Go hands-free with the shoulder strap or detach it and use the convenient grab handles or the travel-friendly trolley strap.
