Overview:

Alienware 18 Backpack AW7825P
Keep your gaming devices and accessories organized and protected with the ultimate travel backpack. Designed for gamers on the move, this backpack blends style, durability, and functionality.

Description:

The Alienware 18 Backpack AW7825P offers 28L of storage designed to keep your laptop, tablet, and gaming gear safe and easily accessible. Its weather-resistant exterior, padded compartments, and RFID-protected pocket ensure security, while the reflective Alienware logo and gradient zipper pulls give it a distinctive, futuristic look. Comfortable shoulder straps, a trolley strap, and multiple compartments make it ideal for everyday use or travel.

Features:

Optimized Storage for Gaming Gear
The backpack provides dedicated spaces for laptops, tablets, and gaming accessories. Inner mesh pockets, pen holders, and magnetic organizers keep items tidy, while the front pocket with built-in organizer provides quick access to essentials. A headset hanger strap ensures safe and convenient storage for headphones.

Durable and Protective Design
A molded outer shell and reinforced top bumper protect devices from drops and impacts. The laptop compartment is lined with breathable 3D mesh and cushioned with 360degrees XPE foam, preventing overheating and absorbing shocks.

Weather-Resistant for Everyday Use
Built to withstand rain, dirt, and daily wear, the backpack features PU-coated bottom and side panels. Its 600D woven fabric exterior maintains shape and durability while offering long-lasting protection.

Iconic Alienware Look
The backpack's 3D iridescent Alienware logo reflects light with a rainbow-like effect, while gradient aura zipper pulls enhance night visibility. Its futuristic design stands out, making it a statement piece for gamers.

Eco-Friendly Materials
The main fabric is made from 100% recycled plastic, and the backpack is packaged with 100% recycled or renewable materials, reducing environmental impact.
