Specifications

Summary Overview:

The Dell Pro EcoLoop Urban Backpack CP5625G is a durable and eco-conscious laptop backpack designed for 14" to 16" devices. Featuring a 27-liter capacity, it provides ample room for daily essentials with smart compartments, including a padded laptop sleeve, quick-access pockets, and space for water bottles. Its recycled materials and water-resistant finish make it ideal for professionals who care about sustainability and performance. Buy now to enjoy the perfect blend of function and style.

Built with comfort and durability in mind, this backpack features 360degrees foam cushioning, reflective safety accents, and tough construction that passes over 50 rigorous quality tests. Whether you're commuting or working remotely, this is the ideal backpack for the modern, on-the-go lifestyle. Shop now and upgrade your carry solution.

Performance tier: Mid-range

Uses: Commuting, remote work, university, business travel, daily errands

Overview:

Dell Pro EcoLoop Urban Backpack 14-16" Plus - CP5625G
Whether you're commuting, traveling, or working remotely, the Dell Pro EcoLoop Urban Backpack CP5625G offers the space, protection, and sustainable design to match your lifestyle. Built for 14" to 16" laptops, this 27-liter backpack combines function and eco-conscious materials without sacrificing style or durability.

Features:

Smart Storage, Easy Organization
The backpack features a spacious main compartment for larger items and a padded laptop sleeve for secure storage. Multiple interior pockets make it easy to organize essentials such as pens, chargers, and accessories.

- Quick-access front pocket for items like phones and keys
- Two roomy side pockets ideal for large water bottles
- Internal slip compartments and pen holders for daily essentials

Sustainable Design with Purpose
Crafted with Dell's EcoLoop standards, this backpack supports environmentally responsible manufacturing. It uses 52% recycled materials, including roughly 31 repurposed plastic bottles.

- Exterior made from 300D rPET polyester and woven fabric
- Bottom coated with PU for additional water and dirt resistance
- Designed to minimize plastic packaging waste

Reliable Protection for Your Gear
Your laptop and valuables stay protected thanks to foam padding that wraps around the bag. The water-resistant build and reflective accents keep you prepared and visible in unpredictable weather or low-light conditions.

- Water-resistant material and PU-coated base
- 360degrees foam cushioning for impact protection
- Reflective details enhance safety during commutes

Engineered for Durability
This backpack has been rigorously tested to ensure long-lasting performance. It passes over 50 quality assessments including:

- Tear strength
- Water and abrasion resistance
- Strap durability
- Zipper performance
- Color fastness

Dell bags are built to withstand daily use, providing confidence for the road ahead.
