Fellowes Powershred 63Cb Cross-Cut Shredder

Product Overview

Fellowes Powershred 63Cb Cross-Cut Shredder

Specifications

Features:

- Shreds 10 sheets of paper per pass into 309 (5/32 x 2" Security Level P-3) cross-cut particles for enhanced security on highly confidential documents to help keep your information safe. Also shreds staples, credit cards, and paper clips
- Runs for up to 8 minutes before a cool down period is needed allowing you to complete your smaller shredding jobs in one sitting
- Patented JamBlocker Technology blocks jams before they start for frustration-free shredding
- SafeSense Technology automatically disables shredder when hands touch the paper opening, helping to protect more than just your identity
- Includes 5-gallon pull-out bin with LED bin-full indicator helping to keep shreds contained and reduce mess

Basic Jam Prevention

Paper jams are the #1 frustration among shredder users. That's why Fellowes® shredders are engineered to take on every job, no matter how tough. The Fellowes® 63Cb delivers basic jam prevention with patented Jam Blocker Technology to stop paper jams before they start.

Advanced Safety

Protect yourself and your family while shredding with patented SafeSense® Technology. The 63Cb features an advanced electronic safety sensor that surrounds the paper entry and automatically disables the shredder when hands touch the paper opening.

Energy Efficiency

The 63Cb also features our Energy Savings System, which is the only system that saves energy while in use - when it matters most! When it comes to shredding, 80% of energy consumption comes from in use activity.* Fellowes' Energy Savings System maximizes shredder energy savings 100% of the time - both in and out of use.

In Use Savings - performance and power supply efficiency

Out of Use Savings - Standby and Sleep Modes

Superior Performance

ComX Computers

Product Specification Sheet

And there's more - the Fellowes® 63Cb is built to last with solid steel cutters, a powerful motor, and parts that are engineered to outperform our competitors. With its cross-cut capability, it is also tough enough to cut through plastic credit cards, paper clips, and staples while ensuring confidential documents are shredded into unreadable pieces. Additionally, the 63Cb features a 5-gallon pull-out bin for easy, mess-free waste disposal.

Specifications

Product Code	4600103
Amps	2.5
Jam Prevention Features	Jam Blocker
Feed Type	Traditional
Basket Type	Pull-out Bin
Bin Capacity (gallons)	5
Can Shred	Staples
	Credit Cards
	Paper Clips
Color	Black
Cut Size (inches)	5/32" x 2"
Cut Type	Cross-Cut
DIN Level - Paper	P-3
Maximum Run Time (minutes)	8 min on / 20 min off
Energy Efficient Features	Energy Savings System
Item H x W x D (inches)	18.13 x 15.19 x 10.88
Item Number	4600001
Item weight (lbs)	19
Units per Master Carton	1
Material Type	Plastic
Model Number	63CB
Noise Level at No Load (dB)	62
Paper Entry Width (inches)	9
Recommended Number Of Users	1
Run Time (minutes)	Up to 8
Safety Features	SafeSense
Sheet Capacity	10
Shreds Per Sheet	302

ComX Computers

Product Specification Sheet

Speed (Feet Per Minute)	10
Usage	Personal
