What's Included in the Box

- Wireless keyboard and mouse
- USB wireless dongle
- Four AAA batteries

- Quick start guide
- Warranty card
- R.E.D. Card (for EMEA regions)

Comfortable and Stylish Design
This wireless keyboard features an ergonomic design with adjustable legs offering up to 6 degrees of tilt. The contoured keycaps provide a satisfying 2.0 mm key travel, ensuring a comfortable and accurate typing experience. The mouse complements the keyboard with an ergonomic shape suitable for both left and right-handed users, making it ideal for all-day use.

Customize Your Workflow with Programmable Keys
Boost your productivity by customizing over 20 keys using the HP Accessory Center software. Assign shortcuts and commands to speed up your tasks in frequently used applications. Additionally, the mouse sensitivity can be adjusted easily to control cursor speed with multiple DPI settings.

Enhanced Mouse Tracking on Multiple Surfaces
The HP 655 mouse uses advanced Multi-Surface Sensor technology, allowing smooth tracking on various materials, including glass, marble, and wood. This improves accuracy and offers more freedom to work from different environments without the need for a mouse pad.

Long Battery Life for Worry-Free Use
With battery lives of up to two years for the mouse and almost as long for the keyboard, you can focus on your work without frequent battery changes. This combo is designed for energy efficiency, ensuring reliable wireless performance.

AI-Powered Productivity with Microsoft Copilot Key
The HP 655 comes with a dedicated key to access Microsoft Copilot, an AI assistant that helps simplify complex tasks, enhances collaboration, and boosts creativity. Use it to find information, personalize apps, or generate content such as text, photos, and videos - all with one easy shortcut.
