Product Overview

Lenovo 4X31S04810 6000 Wireless Multi-mode Pro Combo Keyboard and Mouse, 2.4GHz Wireless via USB Type-A receiver, Bluetooth 5.3, IR Mouse Sensor, 4-way Scrolling, 8 buttons, 4000 Max dpi, Up to 36 months Battery Life for Keyboard & Mouse, 3-zone Keyboard layout, Lenovo USB Type-A receiver

Specifications

Overview Summary:

The Lenovo 6000 Wireless Multi-mode Pro Combo offers both comfort and functionality for professionals seeking a reliable input device solution. Featuring a low-profile 3-zone keyboard and an ambidextrous silent mouse, this combo delivers a silent typing experience and ergonomic comfort, ideal for long hours of use. The keyboard and mouse connect seamlessly to up to three devices with Bluetooth 5.3 and 2.4GHz wireless connectivity. With up to 36 months of battery life, they're designed to keep you productive without interruptions. Shop now for an enhanced user experience and greater efficiency.

Performance tier: Premium

Uses: Office work, multimedia control, ergonomic computing, multitasking, productivity enhancement

Overview:

Lenovo 6000 Wireless Multi-Mode Pro Combo Keyboard and Mouse
The Lenovo 6000 Wireless Multi-Mode Pro Combo offers an exceptional blend of advanced technology, comfort, and design, ideal for both professionals and everyday users. Whether you're working, gaming, or navigating through tasks, this combo provides a seamless experience across multiple devices. Equipped with both Bluetooth 5.3 and a reliable 2.4GHz wireless USB receiver, this keyboard and mouse combo ensures solid connectivity and smooth performance.

Its low-profile, 3-zone silent keyboard promotes a quiet typing experience while enhancing productivity with one-touch media controls. The full-size ambidextrous mouse is ergonomically designed to provide a comfortable grip and precise, high-speed control, featuring a 4-way scroll wheel and customizable DPI settings for maximum accuracy.

Whether you need to switch between devices, control your media, or adjust settings, the Lenovo 6000 combo meets your demands with long-lasting battery life and secure, encrypted connections.

Description:

The Lenovo 6000 Wireless Multi-Mode Pro Combo includes a sleek and efficient keyboard and mouse designed for modern professionals. Key highlights include:

- Reliable connectivity with Bluetooth 5.3 and a 2.4GHz USB receiver for up to 3 device pairings.
- Silent, low-profile 3-zone keyboard for effortless typing and customizable shortcuts.
- High-performance mouse with 4000 DPI, 4-way scroll, and precise control for all tasks.
- Enhanced security with AES-128 encryption and long-lasting battery life for both devices, lasting up to 36 months.
- Eco-friendly design with post-consumer recycled materials, reflecting Lenovo's commitment to sustainability.

Features:

Wireless Convenience for Professionals
Enjoy the freedom of wireless connectivity with the Lenovo 6000 Wireless Multi-Mode Pro Combo, designed to keep your workspace clutter-free. The USB Type-A receiver offers dependable 2.4GHz wireless performance, while Bluetooth 5.3 provides flexibility to connect to multiple devices without interruptions. With support for up to 3 devices, switching between workstations or tools is effortless.

Effortless Typing Experience
The 3-zone silent keyboard is designed for maximum comfort, reducing typing noise while maintaining responsive, quiet key presses. Its ergonomic design, combined with customizable media keys (F1-F12), makes it a highly functional tool for all your computing needs. With LED indicators for battery status, CapsLock, NumLock, and device switches, staying on top of your

setup has never been easier.

Ergonomic Mouse for Precise Control
The full-sized ambidextrous mouse provides the ultimate in comfort and versatility. Its ergonomic design fits both left and right hands, making it suitable for users with different preferences. With four programmable buttons and a 4-way scroll wheel, you can navigate documents, spreadsheets, or multimedia with precision. The high-precision IR sensor, offering DPI up to 4000, ensures smooth and accurate tracking on virtually any surface.

Long-Lasting Battery Life
Experience the convenience of a wireless setup with up to 36 months of battery life for both the keyboard and mouse (battery life may vary based on usage). This extended battery life means fewer replacements and a more efficient setup for those long workdays or extended sessions.

Eco-Friendly and Secure
The Lenovo 6000 Wireless Combo doesn't just focus on performance-it also prioritizes security and sustainability. The combo uses 95% post-consumer recycled plastic materials, including 20% reclaimed from Lenovo's own products. AES-128 encryption ensures that your data is protected, making this combo both an environmentally friendly and secure choice for any user.
