- Maximum resolution: 1920 x 1200 pixels
- Compatible with USB 3.1 Gen 1, USB 3.1 Gen 2, and USB 3.2 ports (note: actual data transfer speeds may vary depending on host and peripheral device capabilities)

Why Choose This USB-C to VGA Adapter

This adapter offers a straightforward solution to connect modern USB-C devices to older VGA displays, making it ideal for business meetings, classrooms, or any setup that requires legacy VGA support. Its plug-and-play design eliminates the hassle of driver installation, and its compact size means you can carry it wherever you go without added bulk.

With this Lenovo USB-C to VGA adapter, you can enjoy seamless video connectivity that bridges new USB-C technology with traditional VGA displays, ensuring your devices stay compatible in any environment.
