Features:

The PREMIUM Bundle consists of a laptop bag and a wireless mouse. The bag is compact and lightweight dedicated for carrying your laptop.

This bag is said to be "Toploading", which means that your laptop is loaded from the top of the bag. Easy loading and secured by velcro. The overall construction of the satchel is fully padded, providing additional protection for all of your belongings as well as your computer equipment. The main compartment allows you to transport your documents and your computer in complete safety thanks to its padded structure. A large zipped front pocket allows you to keep your belongings close at hand and to carry your charger, smartphone and accessories. The removable carrying strap will allow you to comfortably carry your computer on your shoulder, very practical when traveling bulky.

The wireless mouse comes with a USB-A dongle and a USB-A to USB-C converter. It incorporates 2.4Ghz wireless technology. It is compatible with Windows, Mac OS and Android operating systems. It has 3 buttons and a scroll wheel.
