Specifications

Overview:

Dell Pro Wired ANC Headset - WH5024

Elevate your workday communication with this headset that comes equipped with an AI-based microphone and Active Noise Cancellation, designed to reduce background noise, ensure comfort, and bring your productivity to the next level.

Features:

Be heard more clearly

With an AI-Based Noise Cancelling (AI-NC) microphone that distinguishes between human voices vs. surrounding background noises you can be heard clearly at all times.

- Our AI-enabled Microphone
- Established industry microphone

Focused listening

Active Noise Cancellation (ANC) neutralizes and cancels out ambient noise, allowing you to stay focused and further immerse yourself in your work.

Designed for ease of use

The adjustable headband and replaceable leatherette memory foam ear cushions ensure productivity and comfort while conferencing. Connect to a USB-C or USB-A port to get started.

Control at your fingertips

This headset is equipped with easy-to-use in-line controls and a quick deploy discrete AI-based boom mic. Flip the mic up/down to mute/unmute and tuck it away when not in use.

Connect seamlessly

Plug in and immediately start collaborating with this headset that's compatible with leading UC platforms and certified for Microsoft Teams (Open Office) and Zoom.

Personalise your settings

Dell Peripheral Manager allows the user to make changes to the audio and device settings with additional customisation such as Audio Mode, Active Noise Cancellation Mode, Sidetone, Audio Output Preset, Busy Light and more.

Product Features

- Adjustable Leatherette Headband
- Leatherette Memory Foam Ear Cushion
- Discrete Boom Microphone
- In-line Controller

Compatibility

- Operating Systems Windows 10, 11 or later, Mac OS
- Dell Peripheral Manager Compatible with Windows 10, 11 or later

What's in the box

- Dell Pro Wired ANC Headset - WH5024
- USB-A Adapter
- Soft Carrying Pouch
- User Documentation
