Dell KM900 Collaboration Keyboard and Mouse Wireless

Product Overview

Dell 580-BBCZ KM900 Collaboration Keyboard and Mouse Wireless, US International (QWERTY), 2.4GHz or Bluetooth 5.1, USB Wireless receiver, Scissors Keyboard Technology, Backlighting, Built-In Rechargeable Battery, 8000 dpi Max Mouse

Specifications

Overview:

Dell Premier Collaboration Keyboard and Mouse - KM900 - US International (QWERTY)

Designed with an extraordinary level of detail, our premium keyboard and mouse transform collaboration, enhance productivity and provide all-day comfort.

Features:

Work Comfortably

The contoured design of the mouse fits the shape of your hand for a comfortable palm grip and durable tilt-legs on the keyboard set your wrists at the optimal typing angle, making long work sessions feel like a breeze.

Intelligent illumination

Smart backlighting with hand-proximity-detection lights up the keys as you get close, helping you to work better in any environment. Turns off in brighter conditions to conserve battery power.

Work everywhere

Thanks to the track-on-glass sensor you can easily work wherever you need to from glass and wood, to park benches and cafe tables alike. The DPI is adjustable from 800 to 8000 in increments of 200 so you can dial in the mouse to your preferences.

Ultra-quiet typing

Get optimal type-feel without the noise thanks to the scissor-switch key design. Engineered to be satisfying and silent at the same time.

Tuned to your specifications

Dell Peripheral Manager lets you customise your accessories to elevate your workflow. Make DPI adjustments and configure the programmable buttons on your keyboard and mouse to your frequently used commands to empower productivity.
