Product Overview

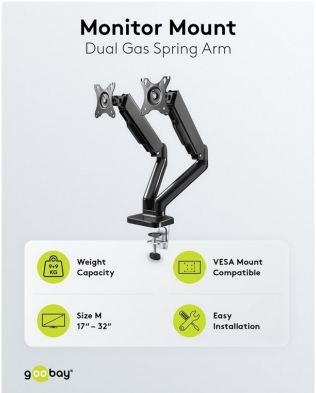

Goobay 58531 Double Monitor Mount with Gas Spring for monitors between 17" and 32", 9 kg Maximum load, Height adjustment from 185mm up to 435mm, 100x100 VESA mouting hole Max

Specifications

Overview:

Double Monitor Mount with Gas Spring, black

for curved and flat monitors between 17 and 32 inches (43-81 cm) up to 9 kg each

The monitor mount is the perfect addition to the ergonomic workplace and adapts to all of your everyday requirements. Whether mobile office, gaming or multimedia applications: With the high-quality gas spring mechanism, you can flexibly align the monitor arms - effortlessly and at any time. The compact stand creates additional space on the desk and ensures a clean look.

- With its slim base, the robust monitor stand is the space-saving solution for the desk at home or in the office
- Perfect for the stable desk mounting of two screens up to 9 kg each, freely height-adjustable, swivelling and tilting
- Thanks to the gas spring, you can easily bring the monitors into the ideal, ergonomic position at any time without any effort - whether for working, gaming or video calls
- The integrated cable management system of the monitor arm protects the cables and creates a clean look without cable clutter
- Installation is quick and easy with the included mounting material, either using a screw with drill hole or a table clamp that can be removed without leaving any residue
- Recommended tabletop thickness for both mounting variants of the monitor stand: 10-83 mm
- The monitor mount is compatible with the VESA standards 75x75 mm and 100x100 mm
