Overview:

Canon i-SENSYS MF260 II Series

Advanced multifunction mono All-in-One series created to enhance productivity in small and home offices

- 28ppmA4 print speeds
- Colour scanningFast speeds of up to 15ipm
- 6-line touch screenEasy operation
- Microsoft Universal PrintSupport for cloud-based printing
- Enhanced securityProtection against network eavesdropping and device tampering

Increase home office productivity with multifunction printers

High-quality multifunction mono printers packed with innovative features and optimised for small and home offices. Features highly efficient new print technology along with advanced scanning options and copying/fax facilities.

Features:

Productivity

Optimised to deliver highly accurate but speedy printing. In spite of the compact yet robust and stylish design, they are capable of printing up to 28 pages per minute. Scan speeds are also impressive, with colour single sided output of 15ipm

Efficiency

Sometimes installing print cartridges can be messy and time-consuming. Not with the MF260 II series, as they boast Canons Genuine Cartridge and Auto Seal Removal technology. This automatically jettisons the seal when installing a new cartridge, reducing waste and saving time.

Security

Verify system at start up protects the device from tampering and unauthorised programs. The network is protected with the latest encryption software. And a new security settings guide lets you quickly identify the best setting for you.
