HP 15.6" Recycled Series Top Load Bag

Product Overview

HP 15.6" Recycled Series Top Load Bag

Specifications

Overview:

Helps protect the planet and your notebook and daily essentials with the stylish, durable HP Recycled Series 15.6" Top Load, a carryall made from recycled plastics.

Features:

From plastic bottles to beautiful carrying case
Marvel at the innovation that converts shredded recycled plastics into small flakes and plastic chips, which are then heated and spun into yarn to create a weather-resistant fabric that looks sharp in and out of the office.

Pack it all in
Slide your notebook into the padded compartment that keeps it securely in place. Keep your papers separate with the file divider and store your essentials and adapter in the interior pockets or large front stash pocket.

Optimized for comfort
Traveling is a breeze

Roll through the airport hands-free with the convenient luggage pass-through that supports stacking the bag on a rolling suitcase. Master TSA check-ins with a notebook compartment that zips open and lays flat.
Carry comfortably by hand with the magnetic, padded handles or over the shoulder with the contoured, shock-absorbing shoulder strap.
