Buy the Skyworth 60X6600K online for a feature-rich 60 inch home entertainment experience.

Overview Summary

Skyworth 60X6600K 60 inch 4K UHD Mini-LED Google TV

The Skyworth 60X6600K delivers detailed 4K UHD picture quality at 3840 x 2160 resolution. Its Mini-LED display uses 56 local dimming zones to control backlighting across the screen, while up to 450 nits peak brightness and 93% DCI-P3 colour coverage support vivid images with strong HDR presentation.

The 120Hz HSR panel with an 8 ms response time is designed for smoother motion, making the TV suitable for fast-moving sports, action content and gaming. Dolby Vision, HDR10, HDR10+ and HLG provide broad HDR format support, while Game Mode and Filmmaker Mode provide dedicated viewing options for different types of content.

Google TV provides access to Google Play and supported streaming applications, with Google Assistant and Chromecast built in. Dual-band Wi-Fi, Bluetooth 5.1, LAN, 3 x HDMI and 2 x USB provide flexible connectivity for streaming, gaming devices, media equipment and other compatible accessories.

Performance tier:Mid-to-high-end 4K Mini-LED smart TV

Uses:4K streaming, movies, television, sports, gaming, home entertainment, screen casting

Overview

The SKYWORTH 60X6600K is a mid-to-high-end 60-inch Mini-LED TV that uses a full-array backlight with 56 local dimming zones to deliver deeper blacks and better contrast than standard LED panels. With 350 nits typical and 450 nits peak brightness, plus 93% DCI-P3 wide color gamut, it provides vibrant HDR performance for movies, sports, and games. The 120Hz HSR panel (8 ms response) supports smooth motion and is well-suited for fast-paced content and gaming. It runs Google TV, giving direct access to the Google Play Store and major apps (Netflix, YouTube, Prime Video, Disney+, etc.), plus Google Assistant and Chromecast built-in for voice control and casting. Audio is handled by a 2x10W system with Dolby Atmos support for more immersive, object-based sound.

Description

The Skyworth 60X6600K is a 60 inch 4K UHD Mini-LED Google TV designed for home entertainment, streaming, gaming and everyday television viewing. With a 3840 x 2160 resolution, the display delivers detailed 4K images suitable for large-screen viewing.

Mini-LED display technology with 56 local dimming zones provides controlled backlighting across the screen. The TV reaches 450 nits peak brightness and supports 93% DCI-P3 colour coverage, helping deliver vivid colour and bright HDR highlights. The display supports Dolby Vision, HDR10, HDR10+ and HLG for compatible HDR content.

The 120Hz HSR panel and 8 ms response time are designed to provide smooth motion. This makes the TV suitable for fast-moving content such as sports and action movies, as well as compatible gaming applications. Game Mode provides a dedicated setting for gaming, while Filmmaker Mode is designed for cinematic content.

Google TV provides a central smart TV platform with access to Google Play and supported applications. Google Assistant provides voice functionality, while Chromecast allows compatible content to be cast to the television from supported devices.

Connectivity includes 3 x HDMI ports, 2 x USB ports, dual-band Wi-Fi with 2T2R, Bluetooth 5.1 and LAN. An optical SPDIF output provides digital audio connectivity for compatible sound equipment. The built-in audio system consists of 2 x 10W speakers with Dolby Atmos support.

The Skyworth 60X6600K also includes DVB-T2, DVB-T and DVB-C tuners for compatible digital television reception. Its dimensions with stand are 1345 x 861 x 283 mm and its net weight is 12.1 kg.
