Features:

Your focus zone

Experience Poly acoustic excellence with the Voyager Focus 2 headset. Loud and distracting background is reduced with

ComX Computers

Product Specification Sheet

three levels of advanced digital hybrid ANC. You'll be ready to have the most critical conversations with confidence.

Crystal clear conversations

It's you - loud and clear. That's all callers hear. The discreet microphone boom is not only ultra-noise canceling but, with its Acoustic Fence technology, literally creates a virtual noise-free bubble in front of your mouth.

Wear it like it's not there

Stay engaged during a full day of calls wearing a comfortable headband with cushioned sling and plush ear cushions. The Voyager Focus 2 is designed with you in mind - stay focused and productive all day.

Immersive experience

Stay focused while on calls or listening to music/media with stereo sound.

Easy to use

An easy-to-use headset with smart sensors for answering/muting calls and playing/pausing music. The intelligent microphone boom automatically maintains left and right audio no matter which side the headset is worn on.

It's your call

Stay productive with up to 19 hours of wireless talk time (ANC on) and extend the battery life by using it corded, with audio over USB mode.

Choose your device

Works with your choice of device: PC via included BT700 USB-A or USB Type-C Bluetooth adapter and mobile phones via Bluetooth v5.1.
