Overview Summary

Product: Goobay 77742 Yellow USB-C Silicone 1.5m Cable

The Goobay 77742 cable offers a durable silicone build that is both soft and robust, making it an ideal accessory for modern USB-C devices. This 1.5 metre cable supports Power Delivery up to 60 W and Hi-Speed data transfer at 480 Mbps, so you can charge phones, tablets, laptops and other gadgets while syncing data with ease. Its vibrant yellow colour adds a fresh look to your setup and the silicone sheath helps prevent tangles and breakage for everyday convenience. The cable also includes silicone cable ties for neat storage after use. Compatible with a wide range of devices, this USB-C to USB-C cable is a versatile choice for home, office or travel use. Buy online and save on a quality USB-C accessory.

Performance tier: Mid-range utility cable

Uses: Fast charging, data transfer, mobile devices, tablets, laptops

Description

The Goobay 77742 Yellow USB-C Silicone 1.5m Cable is engineered for everyday charging and syncing needs while maintaining a stylish and modern design. The soft silicone sheath feels pleasant in the hand and resists tangling, making it ideal for users who want a cable that lasts longer without kinks or damage. With USB-C connectors on both ends, this cable ensures compatibility with a wide range of devices that use USB-C ports, including smartphones, tablets, laptops and gaming handhelds. The yellow colour enhances visibility and personal style, while the included silicone ties help keep your cable organised after use. Whether at home, at work or on the move, this cable delivers dependable power and reliable data connections with every use. The flexible build also makes it gentle on sensitive ports and helps prevent strain at connection

points.
